

Adjustable Divider System with Front Graphic Panel

A new cost-efficient way to organize your products on shelves and make them **sell harder.**

Adjustable Shelf Dividers from Marketing Impact keep your products organized, attractive and easy to buy. Front graphic panels display your brand and sales messages. They're durable, cost efficient and available in options to suit any retail environment.

- Available in 5" high or 10" high
- Adjusts to shelves from 14" to 22" deep
- Mounts with supplied snap rails or
- Attaches to holes in the shelves

The Divider is available in transparent and opaque (**White or Black**) options.

Any colour divider is available subject to quantities ordered.

Adjustable length fits shelves 14" to 22" deep to adjust to your retail environment.

The Slide-in Graphic panel provides the ability to display brand and product information.
